

Interested in Becoming an SAB Member In-Training???

Interested in Becoming a Student Advisory Board (SAB) Member in Training

Would you like to be part of the action? Go behind the scenes and see how the science fair is run?

As an SAB member in training you will have the opportunity to:

- Volunteer at and help run the Science Fair;
- Gain community service credits;
- Meet other students with similar interests;
- Teach other students methods for doing award winning projects;
- Create long lasting friendships with students from around San Diego and Imperial Counties;
- Have a chance to become a regular SAB member!
- And you must submit a letter of recommendation the Fair Director, Shirley Miranda at shirley@gsdsef.org.

To become an SAB member you must:

- Have completed and had at least 2 projects accepted to the GSDSEF;
- Be working on at least your third science fair project;
- Be available to volunteer throughout the calendar year;
- Be able to assist at SAB workshops;
- Be able to attend monthly SAB meetings;
- And you must submit a letter of recommendation the Fair Director, Shirley Miranda at shirley@gsdsef.org.
