

The background of the slide is a faded, light blue image of laboratory glassware. It includes a large Erlenmeyer flask at the top, a graduated cylinder in the center with markings for 50, 100, and 150, and two beakers at the bottom. The text is overlaid on a dark blue rectangular box in the center.

First Place Junior Division Environmental Science and Management

The background of the slide features a close-up, slightly blurred view of laboratory glassware. In the center, a graduated cylinder is visible with markings for 50, 100, 150, and 200. To its left and right are two Erlenmeyer flasks, one in the foreground and one slightly behind it. The entire scene is bathed in a soft, light blue glow, creating a clean and scientific atmosphere.

First Place Junior Division Mathematical Sciences

The background of the slide features a light blue, semi-transparent image of laboratory glassware. In the center, there is a beaker with a scale on its side, showing markings for 50, 100, 150, and 200. To the left and right of the beaker are two Erlenmeyer flasks, one in the foreground and one slightly behind it. The overall aesthetic is clean and scientific.

First Place Junior Division Plant Sciences

The background of the slide features a close-up, slightly blurred photograph of laboratory glassware. In the center, a clear glass beaker is partially filled with a clear liquid. In the foreground, two white petri dishes are visible, one on the left and one on the right, both containing clear, gelatinous or solidified substances. The lighting is bright, creating highlights on the glass surfaces.
