The background of the slide features a close-up, slightly blurred image of a laboratory flask. The flask is positioned vertically and has a scale on its side. The scale is marked with numbers from 600 to 1000, with '1000 ml' at the top. The text 'APPROXIMATE VOLUME' is visible vertically along the scale. The overall color scheme is a cool, blue-toned gradient.

The image shows two glass Erlenmeyer flasks against a dark blue background. The flask in the foreground is in sharp focus, showing its conical shape and a graduated scale on its side. The scale is marked with numbers 600, 700, 800, and 900. Above the 1000ml mark, there is a label '1000ml' and a small logo. The flask in the background is out of focus. The text 'Fourth Place Junior Division' is overlaid in a light yellow font at the top of the image.
