

FAMILY SCIENCE DAY

MARCH 18, 2018 FROM 10 AM TO 3 PM

64th GSDSEF 2017-18
STUDENT ADVISORY BOARD

We'll have presentations, games, demonstrations, scavenger hunts, prizes and hands-on science for the whole family

SCHEDULE

10 AM - 3 PM: Scavenger Hunt

Can you make a duck call from an ordinary drinking straw? Or can you actually stick a wooden skewer through a balloon without popping it? Try it for yourself! (PRIZES ARE GIVEN)

10 AM - 11 AM: San Diego Astronomy Association

Telescopes, blackholes, and galaxies unite!

11 AM - 12 PM: San Diego Zoo

Come for a closer look at these special zoo visitors and meet some fun, furry friends!

12 PM - 1 PM: SAB Demonstrations

Come see liquids, gases, and solids demonstrate their powers; embrace your inner engineer to build striking towers; enjoy some science-inspired desserts from the power of cold temperatures! (HANDS ON DEMONSTRATIONS)

1 PM - 3 PM: STEM Booths

STEM based organizations from local high schools will be presenting their projects and prowess through interactive booths. Journey with the Canyon Crest Academy Synthetic Biology team as they solve problems through bacteria and microscopes, and be one with the robot with FTC Robotics! (HANDS ON DEMONSTRATIONS)
