

GSDSEF Student Leadership Board

Presents:

Workshop 2:

Data Collection and Display

These topics will be covered:

- Putting together your project notebook
- Organizing and analyzing data
- Writing a strong abstract
- Submitting your project for screening
- Creating your display- Do's & Don'ts

Peer Mentors will be there to help you individually and answer your questions!

Check out examples of displays and notebooks of previous GSDSEF winners!
